

Hamann Spyridon G63: Opulence, I Has It! [Video]

28/08/2013 12:04 by admin

OK so you guys know what a W463 G63 AMG looks like. We've shown you tens of videos, shared hundreds of tuning projects and tested our cars to see if it's worth buying (it is!). So there's really no need to be serious with this body kit and talk about wings and bumpers, when this is, in all actuality, a G63 AMG in matte black with gold on it. There's gold trim, gold pipes, gold leather interior pieces, even gold mirrors... [...]
