

## BMW X3 Wrapped in German Army Green

28/08/2013 13:04 by admin

The German army is, for lack of a better word, cool. They have that well disciplined vibe about them everybody who's into military gear likes. Right after the Wall fell, they sold some of their surplus gear, and jackets and shirts fell into the hands of hipsters everywhere. Since then, German army green is a cool color to have, on your jacket, your belt or sometimes even your SUV. We really can't think... [...]
