If there's one thing the guys at SchwabenFolia are good at, it's wrapping cool Volkswagen hot hatches. They've done the Golf GTI, the Polo GTI and now the ultimate version of the Scirocco, the R. There isn't going to be another Scirocco quite like this, as the Germans are going to completely rethink the idea behind it. However, we like this one just fine, especially when it has a 2-liter turbo engine with 265 hp going ... [...]
