

BMW 535 Gran Turismo Gets Metallic Red Wrap by Wrap Workz [Video] [Photo Gallery]

02/09/2013 12:14 by admin

The most unloved BMW of the current generation is a bad car to look at and a nice crossover vehicle to live with. The Chinese seem to like the 5 Series Gran Turismo more than Europeans do, probably because they don't have to care about heritage and all that. We've just received word of another 5 Series Gran Turismo tuning project, this time from Hong Kong. Our favorite wrappers sent word out that they've completely a cool m... [...]
