

ABT Launches More Complete VW Beetle Tuning Pack

02/09/2013 13:16 by admin

Last week, I saw a number of stories across the web suggesting this was a brand new tuning pack for the VW Beetle from German tuning firm ABT. However, I knew ABT is usually the first to tune a new VW, the new Bug being a 2012 model, plus there already was a previous story with the exact same picture dating back to August 3rd, 2012. So, what this actually i... [...]
