

This Twin-Turbo, Mac-Equipped Mercedes Luxury Sedan Is A 'Land Jet'

28/02/2014 11:03 by admin

You're familiar with the term "land yacht" to describe huge, old, floaty American cars. The world's super-wealthy have a new class of vehicle. I'm calling it the Land Jet, and it's typified by the new 850 horsepower BRABUS S Class.
