

The 203-HP Jota Mazda MX-5 GT Is A Miata Worth Moving To England For

28/02/2014 12:03 by admin

It looks like the current Mazda Miata is going out with a bang. Before the NC gets replaced by a new roadster co-developed with Alfa Romeo, British enthusiasts will have access to a hotted up version with some tasty BRZ-fighting power. The only problem is it won't be cheap.
