

The Huracan Gets Minotauro Styling Kit From Duke Dynamics

05/03/2014 21:39 by admin

The guys from Duke Dynamics have decided to bring the freshly unveiled Huracan a new "skin" and created the Minotauro styling package. It appears that this new kit will incorporate some interesting stylistics upgrades but no power ones. We'll only be seeing redesigned front and rear bumpers, a completely new set that comes with a diffuser as well as an optional carbon lip spoiler. ...
