

Audi TT RS Plus "Cured" with 447HP Chip-Tune

20/03/2014 12:42 by admin

The German modders at OK-Chiptuning have added another *plus* sign to the Audi TT RS Plus edition, which we'll remind you brings an extra 20hp and 15Nm of peak torque to the standard RS' 2.5L five-pot taking total output up to 355hp (360PS) and 465Nm (342.97 lb-ft) respectively. [...]
