It's been a while since we last heard from Wheelsandmore. Actually, it's been too long. But the German tuner knows how to make a comeback. Each and every time Wheelsandmore builds a program, you can count on it being comprehensive. The only thing different about this program is that it's not limited to just one unit, but three; three Ferraris, to be exact. The Ferrari F12berlinetta, the Ferrari FF, and the Ferrari California are all part of the tuner's new "La Famiglia" program and all received the same tender, love, and care from Wheelsandmore, the kind that we've all come to know from the German company. Each Ferrari received a new set of wheels, obviously, and modest performance gains. A handful of cosmetic upgrades were also given to the three Ferraris, although you'd be hard-pressed to notice them outside of the traditional Wheelsandmore decal that runs along the length of each Ferrari.ш...щ
