The 2015 Worthersee is coming up, and we are about to go crazy with all the excellent Volkswagen tuning kits being shown. This one is called Projekt Eos R36, and it's unlike anything we've ever seen. Volkswagen is about to stop making the Eos convertible due to weak demand, but some people have a soft spot for the only convertible hardtop made by this German company. Project Eos R36 predictably belongs to a hardcore VW fan, who[...]
