

2015 Citroen C1 Gets Quad Exhaust in Musketier Tuning Project

07/05/2015 20:36 by admin

Looking for a small French car with a big personality? How about the new Citroen C1, which is bold and effervescent? However, the tuning specialists at Musketier thought it needed extra sportiness. All for one and one for all! The C1 is mechanically identical to the Toyota Aygo we tested a few weeks ago. That means i... [...]
