

Oettinger 500R Is A 518PS Five-Cylinder Super Golf R

15/05/2015 14:45 by admin

VW aftermarket specialist Oettinger has unveiled the most powerful tuned Golf at this year's Wörthersee event. With 518PS (511hp) from a five-cylinder turbocharged engine, the limited edition Oettinger 500R delivers supercar performance.[...]
