

KAEGE Proposes A 60kg Weight Loss And 20HP Muscle Gain For 997 GT3

28/05/2015 19:02 by admin

So, how do you improve an already finely tuned sports car like the Porsche 997 GT3? Well, you could start with a '997 GT3 RS, but if you're keen on keeping your ride, KAEGE has some tricks up its sleeve.
