

This Is Why Brabus Calls This Mercedes-AMG S65 A Rocket

22/07/2015 20:02 by admin

The Brabus Rocket 900 is the most powerful vehicle modified by the German tuner.

Based on the Mercedes-AMG S65, the Brabus version squeezes 900PS (888hp) from the production model's 6.0-liter V12 biturbo. That's a dramatic upgrade from the stock S65's 630PS (621hp).[...]
