

1990 Skyline GT-R Vs. 2015 GT-R In Parking Lot Review

31/08/2015 03:12 by admin

While most know that the early 1990s Nissan GT-R R32 is related to the latest model to bear the GT-R badge, they are very different propositions. Even though you can tune the older car to extract serious power from its 2.6-liter twin-turbo straight six, the R35 minces it out of the box.[...]
