

Brabus Turns Up The Dial To 600PS On Mercedes-AMG GT S [38 Photos]

11/09/2015 13:36 by admin

For most people, Mercedes-AMG GT S? output of 510PS (503hp) is more than enough, but Brabus? customers aren?t ?most people?. This is why the German tuner will bring to the Frankfurt Motor Show an upgraded GT S model with 600PS (592hp), as well as enhanced styling and equipment features.[...]
