

Alfa Romeo 4C Tuned by Zender Italia Is Stunning - Video, Photo Gallery

18/09/2015 19:19 by admin

I can still remember scrolling through my 1996 issue of Auto Tuning Katalog and looking at Zender parts for Fiats and Alfa Romeos. They looked pretty cool, but not like the Alfa Romeo 4C they've customized this month. Because everybody is preoccupied with the Frankfurt Motor Show, and they don't follow Zender on Facebook anyway, the project has gone unnoticed... until now. Mind you, the base 4C is a st...

I can still remember scrolling through my 1996 issue of Auto Tuning Katalog and looking at Zender parts for Fiats and Alfa Romeos.
