

Stock McLaren 650S Spider Takes On 716 HP MP4-12C From A Rolling Start

23/09/2015 02:00 by admin

With all things being equal, these two McLarens aren't all that different when accelerating in a straight line. The newer 650S will however pull away as long as there's nothing up the 12C's sleeve.[...]
