

## Prior Design Unveils Ferrari 458 Widebody Kit - Photo Gallery

25/09/2015 11:54 by admin

German tuner Prior Design has just released initial photos and details regarding its most ambitious body kit yet, one that targets the Ferrari 458 Italia supercar and its convertible brother. Perhaps they are a little late to the game, since everybody knows about the Liberty Walk equivalent, and the 458 has been replace... [...]
