The 2020 BMW Alpina B7 is a high-performance luxury sedan produced by Alpina, a renowned Bavarian automobile manufacturer specializing in modifying BMW vehicles. The Alpina B7 is based on the BMW 7 Series, but it receives significant upgrades in terms of performance, styling, and luxury features. Here are some key features and specifications of the 2020 BMW Alpina B7: **Engine:** The Alpina B7 is powered by a 4.4-liter twin-turbocharged V8 engine, producing an impressive output of 600 horsepower and 590 lb-ft of torque. This engine is paired with an 8-speed automatic transmission. **Performance:** With its powerful engine, the Alpina B7 accelerates from 0 to 60 mph in just around 3.5 seconds, making it one of the fastest luxury sedans in its class. It also boasts a top speed of around 205 mph, depending on the configuration.

Suspension: Alpina has tuned the suspension of the B7 for enhanced performance while maintaining a comfortable ride. The car features adaptive dampers and air springs that can adjust to different driving conditions and preferences. **Exterior Styling:** The Alpina B7 sports distinctive exterior styling elements that set it apart from the standard BMW 7 Series. These include unique Alpina wheels, a revised front bumper with larger air intakes, quad exhaust tips, and subtle Alpina badging. **Interior:** Inside the cabin, the Alpina B7 offers a luxurious and refined environment with high-quality materials and craftsmanship. It comes equipped with features such as premium leather upholstery, wood trim accents, Alpina-branded touches, and a wide array of advanced technology and comfort amenities. **Exclusive Options:** Buyers of the Alpina B7 have the option to customize their vehicles with a range of exclusive features and options, including bespoke paint colors, interior trims, and personalized touches to suit their preferences. Overall, the 2020 BMW Alpina B7 combines breathtaking performance with opulent luxury, making it a compelling choice for those seeking a high-performance luxury sedan with a unique character.
