

Range Rover Sport Stormer Kit Announced for Australia

23/03/2009 09:23 by admin

The Perfect Storm The Stormer Kit introduces a bolder, more aggressive, personalised look for the Range Rover Sport, and it is now available in Australia on 09MY vehicles.

The Kit draws its aggressive styling lines from the 2004 Range Stormer Concept Car, ensuring a distinctive design that enhances the appeal of the Range Rover Sport.

The Stormer Kit is an exclusive, limited edition, factory fitted option available only on the Range Rover Sport TDV8 or Supercharged models. It is available in a choice of three colours.

Range Rover Stormer Kit consists of the following: * Stormer front and rear bumpers

* Extended rear spoiler

* Body coloured side cladding

* Rectangular, chromed, exhaust finishers

* Honeycomb radiator grille

* Front Park Distance Control (PDC) Colour Options: * Santorini Black

* Alaska White

* Stornoway Grey Roger Jory, Land Rover Australia General Manager had the follow to say, "The Stormer Kit enhances the road presence of the Range Rover Sport through its stylish, yet aggressive stance. It ensures a head turning reaction from all who catch a glimpse."

"Whilst being the most visually stunning and athletically styled Range Rover Sport to date, it still retains the breadth of capability inherent in all Land Rovers."

This striking addition to the Range Rover Sport stable stands out with its distinctive, yet personalised, look. Only a limited number of Stormer Kits will go on sale in Australia, at a factory fitted cost of RRP\$9,990. Range Rover Sport 09MY RRP:

TDV6 \$90,900

TDV8 \$118,900

V8 \$118,900

Supercharged \$144,900

Stormer Kit (Option) \$9,990
