

Opel Vectra C by JMS

27/03/2009 12:11 by admin

Car tuner from Germany, JMS, has released its new styling package for the 2006 Opel Vectra C facelift.

The JMS Opel Vectra C styling kit features a new Racelook front lip spoiler, new exhaust system, new air filters and reprogrammed ECU.

The JMS Opel Vectra C suspension system has been upgraded with H&R monotube coil over kit that lowers the car by 55 mm at the front and 45 mm at the rear.

The car stands on 19-inch one-piece Racing wheels with 2x15 mm H&R spacers at the rear.
