

Even racier - even better: CARLSSON CK63 S (Basis C 63 AMG)

04/01/2009 13:54 by [tuningnews.net](#) - latest news

With the C-Class top-of-the line model C 63 AMG, Mercedes-Benz has given an impressive statement in the medium class. Where else can you get an enormous larger than 6 litre V8 engine in a relatively small car? But as the power output is comparably low, the high-tech manufacturer Carlsson activates the hidden potential.
