International model Martina Ivezaj has been named Miss Tuning 2009 during a competition at Tuning World Bodensee. The announcement was made on Sunday, during the final day of the Friedrichshafen, Germany, event.

As the winner of the contest, Ivezaj will pose in a photo session for Seat Ibiza. The shoot will take place on the British Virgin Islands, and will eventually be turned into a new calendar to promote the Ibiza.

The contest began with 350 lovely contestants, which was whittled down to 20 finalists. Ivezaj takes the crown over from Daniela Grimm, last year's winner. Runners-up in the contest included models Leslie Braumann and Nina Zivkovic.
