

Lorinser makes the C-Class "hot" with 305 HP

04/01/2009 13:54 by [tuningnews.net - latest news](#)

One particularly successful example is the C 350 Limousine from Sportservice Lorinser, an almost irresistible temptation for everyone with petrol in their blood: special camshafts and a modified engine control unit kindle here far more fire than the series version of the extremely successful 3.5-litre V6.
