

Essen 2008: HAMANN BMW X6

04/01/2009 18:01 by [click here for more information](#)

With the X6, the BMW programme offers a car which does not only have the characteristics of an SUV, but also of a sports coupe. As a certified specialist for sport accessories, HAMANN-Motorsport is especially focusing on the driving dynamics segment of this Crossover model. For this reason, the technicians are refining the aerodynamics, motor and running gear.
