

## Essen 2008: HAMANN Volcano based on Mercedes-Benz SLR

04/01/2009 21:46 by [click here for more information](#)

The serial Mercedes-Benz SLR is already one of the most impressive cars on our roads &ndash; but compared to the HAMANN VOLCANO it still looks rather harmless. Once again, HAMANN-Motorsport proves its cutting edge when it comes to refining superb sports cars.
