

New Aero Kit for BMW X5 SUV by Hartge

14/08/2009 20:41 by admin

Another day, another bodykit from German tuning firm and BMW specialist, Hartge that has released a new styling package for the X5 SUV. The tasty kit comes with a front spoiler and rear skirt, as well as left and right two-piece side skirts. Owners can opt for the available stainless steel rear silencer while Hartge also offers a sport suspension kit and the company's multispoke alloy wheels. Hartge did not disclose prices for the aero kit. Check out more photos of the neatly beefed-up X5 after the jump.
