

Program MAMMUT by A.R.T. for Mercedes-Benz GL

05/01/2009 10:33 by [click here for more information](#)

Among the big and powerful, A.R.T. is accompanying the new GL from Mercedes-Benz on its triumphal march. The Nuremberg tuning specialists have developed a still wider program of components for upgrading this luxury vehicle. The program is named after that behemoth of yore, the mammoth.
