

JE Design offers sport programme for new VW Scirocco

05/01/2009 13:14 by [click here for more information](#)

The [JE DESIGN](#) engineers once again confirm that they are the fastest of their kind. The VW tuning experts from Leingarten near Heilbronn can already deliver an entire sport programme for the new VW Scirocco which has only been introduced a few weeks ago. This programme can be ordered from free accessory dealers.
