

NAIAS 2009: The new Mercedes-Benz SLR Stirling Moss

05/01/2009 16:00 by [click here for more information](#)

Mercedes-Benz and McLaren are adding the crowning glory to the model family of their highly successful SLR super sports car with a new, uncompromisingly spectacular car. There is neither a roof nor a windscreen to separate the driver and passenger from the outside world; they enjoy unadulterated high-speed excitement with all the attributes of a speedster.
