

Nissan announces new GT-R SpecV model

09/01/2009 11:00 by [tuningnews.net](#) - latest news

Nissan Motor Co., Ltd today announced a new limited-production Nissan GT-R SpecV model, which goes on sale at seven specially selected Nissan dealers throughout Japan on February 2, 2009. The GT-R SpecV is targeted specifically at enthusiast drivers who desire race car-level performance in a street-legal vehicle.
