

Russia's Topcar Continues Porsche Cayenne Tune with Vantage 2

03/01/2011 18:17 by ??????

It's only been a few weeks since Topcar presented its most recent Porsche Cayenne package called the Vantage GTR2, yet the Russian firm has launched another tuning proposal for the second generation of the German automaker's luxury SUV. The new package is named Vantage 2 and it comes with a wide body kit and a choice of performance upgrades. On...
