

Zeke R35 GT-R based on the Nissan GT-R

11/01/2009 23:15 by *Tuning News . US | Tuning - Carstyling - Car audio*

We're not quite sure if its a good idea to mess with the Nissan GT-R. Nissan spent about seven years getting the car right, so there should be little or no room for improvement. But that's not stopping tuners from showing off plenty of versions of the car at Tokyo ...
