We'll say one thing for Graf Weckerle, boy do these guys know how to add some punch and pizzazz to elegant and expensive vehicles. We started our trip through the German tuning firm with the Aston Martin V8 Vantage Blanc de Blancs and then found ourselves entrenched in the Ferrari 599 GTB Fiorano Comte Noir. Now the duo of Alexander C. Graf and Tim Weckerle have announced another tuning package, and this time, they've gone back to Britain to tune up an Aston Martin DBS. [...]
