

Alpha 9 Nissan GT-R Belts Out 900 HP, 9-Second Quarter Mile

06/01/2011 00:23 by admin

AMS Performance has developed a monster Nissan GT-R tuner, dubbed the "Alpha 9" with 900-hp and 9-second quarter mile times on race gas. Better news? They're working on a 1200-hp version.
